Hello! My name is Ilham and I am a web developer. I enjoy creating web pages that live on the internet. I became interested in web development around 2015. I have created many web pages using html, CSS, and JavaScript. I have also learned the important basics about C++, PHP, and WordPress.

Education

January 2019 - Present **Associate Degree in Web Development** Wake Tech Community College, Raleigh, NC

Key Skills

- HTML
- CSS
- C++
- WordPress
- PHP
- JavaScript
